This report has been prepared by CASAT, a center in the School of Public Health of the University of Nevada, Reno.

This project was supported in whole or in part by the Nevada Division of Public and Behavioral Health Bureau of Behavioral Health, Prevention, and Wellness through funding provided by the Nevada State Opioid Response (SOR) Grant awarded by the Substance Abuse and Mental Health Services Administration (SAMSHA).

*Naloxone distribution is supported by SB459, adopted in the 2015 legislative session, that allows for the prescription and/or dispense of an opioid antagonist to a family member, friend, or community member for the prevention of opioid related overdose.
